

Critical Information Summary

Voipex NBN Basic Plans

Information About the Service

The Voipex Basic NBN plans comprise of a high-speed internet service which will allow you to access online content. Depending on the broadband technology that nbn has enabled in your area the high-speed internet service will be either fibre to the premises (FttP), fibre to the node (FttN), fibre to the basement (FttB) or fixed wireless.

Required Services and Availability

Coverage for the VoIPex NBN plans varies and can be confirmed by contacting Voipex on 1300 797 743.

You will require an NBN compatible router to access your NBN service. You can obtain one yourself or Voipex can provide one to you at an additional cost.

Minimum Term

There is the option of a No Contract, 12 month term, or 24 month term on the Voipex NBN plans.

For the No Contract term the contract is a one month rolling contract

For the 12 month term after the initial 12 months the contract becomes a one month rolling contract.

For the 24 month term after the initial 24 months the contract becomes a one month rolling contract.

Other Information

Installation Information

Standard NBN installations are completed without charge to you.

During a Standard NBN installation an NBNCO contractor may require access to both the inside and outside of your property to complete the installation.

If your installation is a non-standard installation then NBNCO will discuss and obtain your consent to any additional charge before starting the work. These additional charges will appear on your VoIPex bill.

Usage Information

Customers can obtain information on their internet usage by accessing their Voipex Account here:

Your Monthly Bill

On the first day of each month, we will bill you in advance for the minimum monthly charge. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle.

Cancellation Fees

Services under a No Contract have no cancellation fees.

Services under a 12 month contract that are cancelled before the 12 month term require the remainder of the contract be paid out.

Services under a 24 month contract that are cancelled before the 24 month term require the remainder of the contract be paid out.
