

## Critical Information Summary

# Voipex Residential VoIP Plus

## Information About the Service

**Voipex Residential VoIP Plus** plan allows you to make and receive phone calls like a regular phone service, but instead of being delivered over a regular phone line the calls travel over your broadband internet connection.

### Required Services and Availability

**Voipex Residential VoIP Plus** requires a broadband internet service. A device to make and receive VoIP calls is also required. This device can be obtained yourself or VoIPex can provide one to you at additional cost.

### Minimum Term

There is **no minimum term** on the **Voipex Residential VoIP Plus** plan. They are month to month contracts with no fixed term.

## Information About Pricing

### Monthly Charges

The minimum **monthly charge** on the **Voipex Home Phone Plus** plan is **\$29.95**.

### Call Charges

The **Voipex Residential VoIP Plus** Plan has the following features:

#### Call Type

Call connection fee – None.

Local and National calls – Free.

Calls to 13 and 1300 numbers – 44c per call

Calls to mobiles – Free

International Calls –Please see <http://www.voipex.com.au/site/products/voip/international> for current rates

Unless otherwise stated, timed charges for calls to mobiles and international calls are charged on a per minute basis.

### Service Features

The **Voipex Residential VoIP Plus** plan has the following features:

#### Included Features

Anonymous Rejection

Call Forwarding

Do Not Disturb

Call Return

Last Number Redial

Voice Mail

One and Two digit speed dial

Call Waiting

Three Way Call

Call Hold

The Total Maximum monthly charge is the sum of the Minimum Monthly service rental charge above, and the cost of any calls made, plus additional charged features added.

## Standardised Cost Information

Voipex Residential VoIP Plus does not have per minute charges for calls to mobiles.

- A 2 minute national mobile call will cost 0c.

## Connection Charges

Voipex does not charge to connect your Voipex Residential VoIP Plus service.

However if you port your existing telephone service number to VoIPex then your previous telephone service provider may charge you a Port Out Fee.

## Other Information

### Call usage Information

Customers can obtain information on the VoIP usage by accessing their Voipex Account here:

<http://www.voipex.com.au/site/access/account>

### Application Acceptance

Voipex will contact you via email or telephone once we have accepted your application for a Voipex VoIP service.

### Connection Timeframes

Once your application has been accepted by Voipex we will attempt to connect your VoIP phone service in the following timeframes.

- For a new service with a new VoIP service number we aim to have the service completed within 2 working days.
- For a Standard Port of an existing PSTN telephone service to a VoIPex VoIP service we aim to have the service completed within 18 working days.
- For a Complex Port of an existing PSTN telephone service to a VoIPex VoIP service we aim to have the service completed within 51 working days.

### Billing

The figures in this Critical Information Summary are for a full billing cycle but your first bill may include pro rata charges for part of the month if you started or changed your plan part way through a billing period – refer to the 'Important information about your first bill' section below for more information.

### Your monthly bill

On the first day of each month, we will bill you in advance for the minimum monthly charge and in arrears for calls, SMS and features. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as

well as the minimum monthly charge in advance for the next billing cycle.

### Important information about your first bill

When you first start a plan or change your plan part way through a billing period, your first bill will have additional charges. It will include your minimum monthly charge in advance, plus a proportion of your minimum monthly charge based on the number of days left in the billing period
