## Bundled Broadband and Phone

### Agreement for Provision of a Bundled Service

The service owner name, address and other account details must be the same for each of the services that comprise the bundle.

If any of the bundled services are canceled, disconnected, or transferred away from us the balance of the contract of the canceled, disconnected or transferred service\ s are required to be paid along with any associated termination costs. The remaining service\ s will be migrated to the equivalent non-bundled 1 month plan rates for the remainder of the contracted period.

The formula used to determine the balance of the contract is:

$$(monthly\ rate) \times 12 \div 365 \times (days\ left\ in\ contract).$$

If you successfully subscribe to receive a Bundling Package, you must comply at all times with the relevant Terms and Conditions and Acceptable Use Policy applicable to each relevant service.
